Belgium, France, Romania, Union of Soviet Socialist Republics, United Kingdom of Great Britain and Northern Ireland and United States of America: draft resolution

The Security Council,

Recalling its resolutions 687 (1991) of 3 April 1991 and 707 (1991) of 15 August 1991, and its other resolutions on this matter,

Recalling in particular that under resolution 687 (1991) the Secretary-General and the Director General of the International Atomic Energy Agency were requested to develop plans for future ongoing monitoring and verification, and to submit them to the Security Council for approval,

Taking note of the report and note of the Secretary-General, 1/ (S/22871/Rev.1 and S/22872/Rev.1), transmitting the plans submitted by the Secretary-General and the Director General of the International Atomic Energy Agency,

Acting under Chapter VII of the Charter of the United Nations,

1. Approves, in accordance with the provisions of resolutions 687 (1991), 707 (1991) and the present resolution, the plans submitted by the Secretary-General and the Director General of the International Atomic Energy Agency; 1/

2. Decides that the Special Commission shall carry out the plan submitted by the Secretary-General, 2/ as well as continuing to discharge its other responsibilities under resolutions 687 (1991), 699 (1991) and 707 (1991) and performing such other functions as are conferred upon it under the present resolution;

1/ S/22871/Rev.1 and S/22872/Rev.1 and Corr.1.

2/ S/22871/Rev.1.

3. Requests the Director General of the International Atomic Energy Agency to carry out, with the assistance and cooperation of the Special Commission, the plan submitted by him 3/ and to continue to discharge his other responsibilities under resolutions 687 (1991), 699 (1991) and 707 (1991);

4. Decides that the Special Commission, in the exercise of its responsibilities as a subsidiary organ of the Security Council, shall:

(a) Continue to have the responsibility for designating additional locations for inspection and overflights;

(b) Continue to render assistance and cooperation to the Director General of the International Atomic Energy Agency, by providing him by mutual agreement with the necessary special expertise and logistical, informational and other operational support for the carrying out of the plan submitted by him;

(c) Perform such other functions, in cooperation in the nuclear field with the Director General of the International Atomic Energy Agency, as may be necessary to coordinate activities under the plans approved by the present resolution, including making use of commonly available services and information to the fullest extent possible, in order to achieve maximum efficiency and optimum use of resources;

5. Demands that Iraq meet unconditionally all its obligations under the plans approved by the present resolution and cooperate fully with the Special Commission and the Director General of the International Atomic Energy Agency in carrying out the plans;

6. Decides to encourage the maximum assistance, in cash and in kind, from all Member States to support the Special Commission and the Director General of the International Atomic Energy Agency in carrying out their activities under the plans approved by the present resolution, without prejudice to Iraq's liability for the full costs of such activities;

7. Requests the Committee established under resolution 661 (1990), the Special Commission and the Director General of the International Atomic Energy Agency to develop in cooperation a mechanism for monitoring any future sales or supplies by other countries to Iraq of items relevant to the implementation of section C of resolution 687 (1991) and other relevant resolutions, including the present resolution and the plans approved hereunder;

8. Requests the Secretary-General and the Director General of the International Atomic Energy Agency to submit to the Security Council reports on the implementation of the plans approved by the present resolution, when
